# Island

Il modulo Island appare al centro della stanza come un'oasi da sogno: un'isola per cabine armadio che riprende gli arredamenti delle boutique più esclusive, direttamente nel mare di casa vostra. Approdo utile e versatile per ogni tipo di guardaroba, grazie alla possibilità di essere attrezzato con cassetti, ripiani e porta scarpe, offre inoltre spazio per gioielli e preziosi, o per semplici ricordi dal valore affettivo inestimabile, da cullare con cura su di una fodera in vellutino, dentro un'elegante teca di vetro, per accogliere e custodire comodamente i vostri tesori più cari.

<sup>EN</sup> The Island module appears like a dreamy oasis in the middle of the room: an island for walk-in closets evoking the most exclusive boutique furnishings, directly in your home sea. Thanks to the possibility of being equipped with drawers, shelves and shoe-racks, it's an useful and versatile shelter for any kind of wardrobe; moreover, it offers space for jewels and valuables, or for emotional and simple but priceless memories, to lull with care above a velvet lining, inside an elegant display cabinet that comfortably contains and safeguards your most precious treasure.
