DESCRIPTION

A family of coffee tables with a round, square or rectangular base where the structure and the top give it the strongest touch of personality and character: chrome or satin the first; mirror, antique mirror, marble or saddle the second. Interesting also the role of negative space creating geometric interplays at the height of the legs with the possibility to overlay more tables making the lower ones disappear!

TECHNICAL INFORMATION

Typology

Coffee tables

Base

Metal for finish MC chrome

Painted metal for finish grey, champagne, satin brass dark e light, black

Top

Mirror | Antique mirror

MDF panel cover with saddle

MDF panel lacquered

Marble
