BIANCAMANO

MC Lab

DESCRIPTION

Geometry and softness, rigor and playfulness: Biancamano is a design play of contrast and harmony. Its wooden structure of reduced thickness gives it lightness, embellishing its mood at the same time. Its structure, following the gently straight lines of the canaletto walnut, meets the upholstered seat and back giving it not only elegance, but also comfort and practicality. Seat and backrest upholstery available in both fabric and leather.

TECHNICAL INFORMATION

Typology

Chair

Structure

Solid canaletto walnut

Seat/Back

Curved plywood

Covering

Leather or fabric
