BRERA

DESCRIPTION

Style, elegance and background make it an icon of the MC collection: what makes Brera console so original and representative is its desire to be retro, but using new and surprising materials and innovative technologies. Its elegance is reminiscent of the Milanese district itself, inspired by its name and essence: eclectic, cosmopolitan and original in its form, starting from the legs. Console with single drawer, its very particular leg is made of solid wood, while plenty are the combinations obtainable by varying its legs and structure in colors and finishes.
