## CAPRI

Arch. Cesare Arosio

## DESCRIPTION

Fascinating as the island from which it takes its name and contemporary in the mood. A masterpiece of modern and ultra glam design designed for living rooms that want to differentiate themselves by focusing on details. Perfectly at ease at the center of attention, Capri renounces the classic legs in favor of a single connecting element covered in elegant leather, on which rests a top with a sinuous and sensual profile, whose curves ideally recall the island idea.
