

## CASANOVA

MC Lab

### DESCRIPTION

---

Eclectic, charming and...enigmatic: Casanova is a sweet invitation to let yourself in his soft embrace. A simple bed with intriguing details: its soft headboard recalls the cushions profile and seems to promise the same softness with its 100% goose down padding and its differentiated-density polyurethane insert. The fabric covering is completely removable. Casanova hides a little secret: raise its slatted base and discover his super practical storage box.
