MOSCOVA

Arch. Maurizio Di Mauro

DESCRIPTION

Moscova is a collection of sideboards whose main features are multi-functionality and extreme versatility. The expressiveness and solidity of the materials become characteristic in Moscova: a retro-style sideboard available with four, three or two doors and three drawers. The particular solid wood foot and the multiple combinations offered by the mix of the three customizable elements (feet, structure and front) determine its character and nuance of beauty.

TECHNICAL INFORMATION

Typology

Sideboards

Legs
