## PONTACCIO

MC Lab

## DESCRIPTION

---

Family of linear, clean and essential tables and servers. Their linearity is both their strength and distinctive style: a single metal body folded in two points and covered in the finest leather, with the unique and precious treat of the visible stitching. The table is delicately and elegantly combined with even the most colorful living spaces, while the servers also adapt to the most particular modular structures.

## TECHNICAL INFORMATION

---

### Typology

Server

### Structure

Folded metal

### Cover

Saddle

### Dimensioni

cm 40x40x50h. | in 15"3/4x15"3/4x19"2/3h

cm 36x36x36h. | in 14"1/6x14"1/6x14"1/6h
