## RIALTO

Studioforma DesignLab

### DESCRIPTION

---

Suspended between minimalism and charm for the small details that create uniqueness, Rialto ideally recalls the idea of a boat thanks to its essence base that - following an elliptical design - elegantly embraces the seat supported by metal legs with the same circular pattern. Its solid wood structure makes it more similar to traditional sofas, while metal legs they give a nuance of modernity, for a final effect of a timeless classic. Particular the shape of its cushions that all remain at the same height as the armrests, for an overall effect of particular lightness and slenderness.
