

TAO

MAURO LIPPARINI

Compositional precision and attention to the finest of details define for **Tao** compositions. A production approach inspired by contemporary living necessities, where Made in Italy excellence is expressed through transverse project development processes capable of forging glamorous yet functional solutions: a linear design enhanced by the matching of different materials.

TYPE / SYSTEMS

TECHNICAL DETAILS

The noble veining of wood meets the essential lightness of metal in a living area system brimming with personality.

Containers

Wood particleboard th.19mm in melamine facing, intermediate side panels in wood particleboard th.38mm, back panels in wood particleboard th.8mm / th.14mm. (removable). Finishings melamine, wood or lacquered.

Top

Tops th.19mm. in wood, to use us up to a max. length of 3200mm, finishings wood veneer or lacquered.

Tops th. 20mm. in marble, to use as up to max. length of 2880mm.

Tops th. 6 mm for protruding fronts, to use as up to a max. length of 2880mm., finishings wood veneer, glass, tecnomarble.

Wooden fronts

Melamine faced wood particleboard panel, th. 22mm lacquered finish or wood with horizontal grain.

Fronts profile "0"

MisuraEmme®

Melamine panel th.19mm. with applied tempered glass th.4mm, eco-leather, tecnomarble, wood panel.

Hinged and flap door "Narcisse Day"

th.22mm., metal frame in gun metal finish, dedicated handle, tempered glass.

Drawer interiors

Wood particleboard panels in class E1 Th.14mm, melamine faced. Drawer bottom: wood particleboard panels in class E1 Th.8mm. All electrical systems are provided pre-wired in compliance with current laws.

Base units with feet H.165mm.

In painted metal with feet in satined nickel or painted gun metal, fitted with level regulator.

Aluminium selve

Made in anodised drawn aluminium (UNI 6060) satined, gun metal or matt lacquered finish.

Elements th.80mm.

Hollow. Frame in wood particleboard and cover in wood particleboard Th.8mm.

Finishings

Matt lacquer

Glossy lacquer

DESIGNER

MAURO LIPPARINI

Mauro Lipparini earned a degree in Architecture in 1980 from Università degli Studi of Florence, where he also worked as a professor. He won the international design contests Young & Designer Milan (1987) and International Du Pont Award Köln (Germany, 1988 and 1989). Lipparini's intense activity in the field of industrial design covers office and home furniture, the textile industry and other products created for many companies in Europe and Japan. In architecture and interior design, Lipparini has concentrated mainly on private and public housing, on showrooms, retail sales outlets and exposition installations. Furthermore, Lipparini also designs and realizes advanced corporate identity image systems that range from graphics to editorial services to production. Lipparini's style is based on the essential shapes and the clear and decisive lines that are characteristic of natural minimalism. His creations are imbued with a joyful spirit and with an elating sense of aesthetic pleasure and creativity. Thanks to his free use of color, organic weave patterns and original visual ideas, Lipparini amplifies the palette of minimalism, conveying the spontaneity and power of this aesthetic style and projecting it towards a new era of great maturity and wellbeing.
