

Stijl

design by Giuseppe Viganò 2013

Structure: metal, finishes: micaceous brown, titanium or brass.

Top: MDF veneered in the following finishes:

A2 - Oak moka, one acid etched glass with underside varnished in grey-brown and two cement brushed MDF tops;

A3 - Sucupira wood, one acid etched glass with underside varnished in grey-brown and two cement brushed MDF tops.

Attention: the cement finish is not uniform as the brushing of the material is hand-made.

Struttura: metallo, finiture: marrone micaceo, titanio o ottone.

Piano: MDF impiallacciato nelle versioni seguenti:

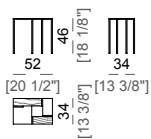

A2 - rovere moka, cristallo acidato retro verniciato marrone-grigio, MDF spatolato cemento;

A3 - sucupira, cristallo acidato retro verniciato marrone-grigio, MDF spatolato cemento.

Attenzione: la finitura cemento risulta di aspetto irregolare poiché la spatolatura del materiale sul supporto viene realizzata manualmente.
