

Diva, 775/M
credenza \ sideboard

La collezione Diva, composta da sedute, tavolo allungabile e contenitore, si contraddistingue per la vigorosa presenza del legno di rovere che si stempera nella delicatezza del disegno. Sedia, poltrona e sgabello, che presentano gambe slanciate ed uno schienale leggermente inclinato in pelle o tessuto, possono essere abbinati all'omonimo tavolo dall'imponente base in acciaio. A completamento della collezione, è presente la madia, che soddisfa ogni esigenza di contenimento.

The Diva collection is composed of chairs, an extendable table and a storage unit, characterized by the vigorous presence of oak wood, which tones down in the delicate design. The chair, armchair and stool, with slender legs and a slightly inclined leather or fabric back, can be matched with the namesake that has an imposing steel base. The sideboard that satisfies every storage requirement completes the collection.
