Léna, 903/P
poltrona \ *armchair*

Disponibile nelle versioni sedia, poltroncina e poltrona lounge con gambe in frassino, Léna propone una rilettura in chiave minimal contemporanea della classica seduta a pozzetto. Grazie alla particolare costruzione dello schienale, Léna elimina quasi completamente le cuciture creando una scanalatura che rende particolarmente funzionale la realizzazione della versione bimatrica.

Available in the chair, small armchair and lounge armchair versions with ash legs, Léna proposes a reinterpretation of the classic tub chair in a contemporary minimalist style. Thanks to the particular construction of the back, Léna eliminates the seams almost completely creating, in this way, a groove which makes the construction of the two-material version particularly functional.
