Tavolo tondo a base centrale, Otab è una proposta giocata sulle proporzioni: al volume imponente della base fa da contrappunto l'essenzialità del piano, disponibile in marmo o frassino, al quale può essere abbinato, a scelta, un vassoio girevole in marmo o frassino. Un particolare dettaglio in ottone brunito solleva la base da terra e ne disegna il profilo.

Round table with central base, Otab is a proposal played out on the proportions: the impressive volume of the base is offset by the minimalism of the top, available in marble or ash, which can be combined with a rotating tray in marble or ash, as preferred. A particular burnished brass detail detaches the base from the floor and draws its profile.
