Dalle rimembranze esotiche, Ropu si distingue per la bordatura intrecciata in cordino di cuoio, nella versione per interni, o nautico, per gli esterni, che corre lungo il perimetro creando una cornice per top in marmo, vetro retroverniciato e hpl oppure soffici cuscini con profili a coda di topo. Con base a quattro gambe in metallo, la collezione è disponibile nella versione tavolino basso, con piano rettangolare, o alto, con piano tondo, e pouf rettangolare da abbinare in libere composizioni.

*From exotic remembrances, Ropu stands out for its sophisticated woven border in hide rope, for indoor spaces, or nautical rope, for the outdoor, running along the perimeter structure creating a frame for marble, back-painted glass and ceramic tops or soft cushions with mouse-tail cord profiles. With a four-legged metal base, the collection consists of a low coffee table with rectangular top, or a high coffee table with round top, and a rectangular pouf that can be combined in the desired compositions.*
