design Ferruccio Laviani

Tables with base composed by elements with different heights and sizes, made of veneered or lacquered multilayer wood, or covered with aluminium or brass. Round, square or rectangular tops in glass or in veneered multilayer wood. Also available the small table version with rectangular top. Also available in the small table version with rectangular top. The elements are combined with a single finish or with different coordinated finishes. Besides the listed measurements and combinations of finishes, it's possible to create bases in bigger sizes and/or with other matches of finishes.

Tavoli con base composta da elementi di diverse altezze e dimensioni, realizzati in legno multistrato impiallacciato, laccato o rivestito in alluminio o ottone. Piani rotondi, quadrati o rettangolari in vetro o in legno multistrato impiallacciato.

Disponibile anche in versione tavolino basso con piano rettangolare.

Gli elementi sono abbinati con un'unica finitura o con diverse finiture coordinate. Oltre alle dimensioni e gli abbinamenti indicati a listino, è possibile creare basi in misure maggiori e/o con abbinamenti di finiture diverse.

Materials	Materiali
<p><u>Top</u>: veneered multilayer wood or extra-clear tempered glass; <u>Base</u>: veneered or lacquered multilayer wood or multilayer wood covered with polished aluminium or brass (natural satin or burnished hand-brushed); <u>Finish</u>: low-emission paint.</p>	<p><u>Piano</u>: legno multistrato impiallacciato o vetro temperato extrachiario; <u>Base</u>: legno multistrato impiallacciato o laccato o rivestito in alluminio lucido o ottone (naturale satinato o brunito spazzolato a mano); <u>Finitura</u>: vernice a bassa emissione.</p>
