ALTON

Dal carattere scultoreo, la poltrona Alton di David Lopez Quincoces si caratterizza per la struttura in metallo verniciato antracite che ne definisce la forma a semicerchio ad accogliere la sagoma asciutta dello schienale caratterizzato dalla particolare lavorazione sartoriale in corda di cuoio riavvolta a mano, nella versione naturale invecchiato e nuovo cordino in cotone cerato marrone scuro. A creare un raffinato contrasto stilistico, il rigore delle linee esterne si fonde nell'avvolgente seduta, con rivestimento in tessuto o pelle. Un morbido cuscino garantisce massimo comfort di seduta.

With its sculptural aesthetic, the Alton armchair by David Lopez Quincoces has an anthracite-coloured, painted metal structure, distinguished by its semi-circular shape and the slender leather back, with sartorial, hand-wound leather accents, proposed in natural, antique-finish and in the brand new dark brown waxed cotton cord. The essential lines of the exterior merge with the enticing seat, which can be upholstered in fabric or leather, creating a refined stylistic contrast. Meanwhile, the soft cushion ensures maximum comfort.
