

Collection **SAMAR**

The collection is made up by a chest of drawers and a night table both with chamfered drawers' fronts; the same motif of the chamfer is also on the basement of the night table, which is furthermore enhanced by an extra light glass divider in the lower part.

The chest of drawers is with six drawers with different dimensions and full extension slides. The top of the chest of drawers and of the night tables can be covered with regenerated leather

design Pierangelo Sciuto
