DESCRIPTION

A new take on the classic modular sofa, Wonder builds on the virtues of 70s lounge furniture - informal, generous, playful, bringing it into the present with an elegantly minimal and sleek frame. The Wonder Sofa celebrates comfort and ease with its softly folded cushion over the backrest - relaxed and neat at the same time. With a choice of textiles and seam detailing to the backrest cushion, Wonder can be customized to fit both formal and more playful spaces and settings.

CLEANING AND MAINTENANCE

For cleaning the upholstered surface, first try to brush off the dirt gently. If this is not enough then vacuum the surface. If further cleaning of the padding is needed, a stain remover is recommended. The cleaning has to be gentle and must always be tested on the most invisible area of the surface before the actual cleaning.

Avoid blotches by gentle, circular rubbing towards the stain. To avoid stains, quickly remove the dirt with a piece of absorbing household wipe and clean with water and colourless washing-up liquid.

Do not use the following products for the padding:

- Undiluted cleaning liquids.
- Bleach.
- Ammoniac.
- Soap for hard surfaces.

For further cleaning guidance, we refer to information regarding the specific textile.

For washing instructions always follow recommendations from fabric suppliers.
