Created in Portugal. Created by Portugal.

More than a motto, it's a defining statement of what Laskasas is all about. Arising from our grassroots origins in the North of Portugal, Laskasas stands on the shoulders of the masters of Portuguese furniture.

The responsibility to live up to and expand the good name of Portuguese furniture keeps the flame alive and pushes us to innovate.

The Portuguese heritage permeates throughout all the elements of Laskasas' pieces. From the careful upholstery work, to the surgical metalwork, having our own production as allowed us to respect our beginnings while using them as pillars to keep Portugal's reputation for high standards in handmade production.

Laskasas is created by a culture of learning and mastery in the art of doing well. State of the art technology and a selection of top workmanship support a totally customizable selection of products, ranging from mid-century design with a modern twist all the way to contemporary pieces with luxurious details.

A modern interior scene featuring a light-colored wall with a large circular mirror and a dark wooden cabinet. The mirror is mounted on a light-colored wall and reflects a view of a green landscape. The cabinet is dark wood with a horizontal grain and is positioned in the foreground. The floor is a light, polished surface.

HALLWAYS

The perfect setting to welcome guest into your home, this entry hall uses the grey koto finished console table as a sober stage for the colourful and beautiful details that surround it.

The lovely table lamp with a polished copper base supports deeply dark nero marquina marble. Above it, a copper painted framed bronze mirror adds elegance and openness to the space.

A clay painted leather pouf is the earthly detail that grounds this whole ambiance.

Indulging in the carefully chosen details of this hall is a study of how combining colours can be a masterful art. A marble topped, golden structured console table is the heart of this hall, pulsing with luxurious details, from the deep blue pouf, to the white marble lamps. Above it all, a bronze mirror with nickel painted stainless steel frame adds balance to this space.

LIVING ROOMS

A deep blue upholstered sofa, with its backrest and back covered in studs starts this ambiance off with a bang. A beautiful dark grey eucalyptus finish intertwines with the gilded stainless steel coffee table, side table and TV base. The two grey upholstered armchairs add a touch of sobriety to the mix.

Grey and brown almost always make a good combination, and this living room isn't an exception. Two beautifully leather upholstered armchairs oppose a grey fabric upholstered sofa, with wrought iron base. In the middle of this space, a stainless steel coffee table with koto finished wooden top adds a modern touch, as does the lamp above it.
