

Aria, 864/P
poltrona \ armchair

L'intreccio in fettuccia nautica è l'elemento distintivo che lega tutte le sedute della famiglia Aria, creando un rivestimento dalla trama accattivante intorno alla struttura tubolare di metallo o d'acciaio. Disponibile nelle versioni sedia e poltrona impilabili e sgabello, Aria sceglie materiali leggeri e resistenti che la rendono adatta ad integrarsi nelle tipologie d'arredo indoor e outdoor.

The nautical ribbon weave is a distinctive element of the Aria collection, which creates an appealing and textured covering, enveloping the tubular metal or steel frame. Available in the stackable chair and armchair version as well as in the stool one, Aria chooses light and resistant materials making it suitable for both indoor and outdoor use.
