Axa, Passione per la ceramica.

Coniugando l'eccellenza del tradizionale artigiano italiano alle piu' moderne tecnologie e con continua attenzione alle mutevoli esigenze di design e funzionalità, AXA , dal 1995, ricerca un nuovo concetto di ambiente bagno che sia in grado di esprimere la profonda passione sottesa al prodotto ceramico; dal pensiero nasce l'idea che si rivela grazie al perfetto connubio tra mani esperte , terra, acqua, aria e fuoco in un processo complesso pienamente appagato solo dalla creazione di prodotti unici in grado di rendere il bagno protagonista assoluto dello spazio casa

Combining the excellence of the traditional Italian artisanship with the latest technologies and with a constant attention to the changing trends of design and functionality, Axa, since 1995, looks for a new concept of bathroom, able to express the deep passion underlying the ceramic product; from this purpose comes the idea which is revealed thanks to the perfect blending of expert hands, mold, water, air and fire, in a complex process fully satisfied only by the creation of unique products making the bath the absolute protagonist of the home space.

DECUS

design Giancarlo Angelelli

Decus ... Decorazione, da qui il nome di questa serie di lavabi che vengono presentati in in forma rettangolare ed ellittica e due dimensioni.

Lavabi da appoggio essenziali , un disegno pulito e lineare caratterizzato da una fascia/nastro che corre lungo tutto il bordo.

Un estetica tradizionale , a cui si contrappone lo spessore sottile del bordo e un bacino morbido e profondo, in una sintesi formale che dialoga perfettamente con la funzionalità dell'oggetto.

Decus...decoration, the name's origin of this washbasins range prooposed in rectangular and elliptical shape in two dimensions.

Essential ovetop sinks, a neat and linear design featuring a band that runs all along the edge.

Traditional aesthetic in contrast with a thin edge and a soft deep bowl, a formal synthesis perfectly matching with the functionality of the object.

COSA

design Giancarlo Angelelli

Cosa ... la parola piu' usata al mondo per indicare forme , oggetti e manufatti. Un concetto universale da cui si sviluppa la nuova serie di lavabi proposta in diverse dimensioni e tipologie, nella doppia versione con rubinetteria a piano e parete. Una forma "base" versatile, che nella serie Cosa si distingue per il dettaglio estetico della curva morbida a parete e per una profondita' importante e funzionale, dettagli formali che proporzionano il prodotto dalle dimensioni piu' piccole fino al 120 doppia vasca.

Cosa...the most used term worldwide to indicate forms, objects and artifacts.

A universal concept to develop a new collection of washbasins of different sizes and typologies, available with and without tap hole.

A versatile "basic" line that stands out through the aesthetic detail of the slight wall curve and the depth, formal details that proportion the product from the smaller size up to the widest cm.120.
