CHAIRS

Patricia Urquiola

Description

A family of seating featuring a maxi-interlacing of polyethylene fibre ribbon in white. There are many typologies: chairs, circular and linear sofas, armchairs and service elements that have exclusive fabric covers in the variations of plain colour, mélange and multi-coloured design. All these very comfortable seating have frames in aluminium with weather resistant polyester powder painting. They are available in the colours white with interlacing in polyethylene fibre in the same colour as the frames. The circular seat can also be fitted with a light foldable canopy that reduces the passage of sunlight by up to 92%. The seat can also have a swivel base that rotates 360°. The Canasta collection includes tables and service elements in different sizes. The tables frames are in aluminium and the service elements frames are in steel. Both frames are painted with weather resistant polyester powder). The tops are covered with exclusive tiles with decorative patterns.
