SOFAS

Zaha Hadid

Description

With its unmistakable distinctive profile, like the buildings designed by her, Zaha Hadid creates a highly dynamic corner sofa. It looks like a “single block” that contains, as if ‘sculpted’ into a single material, the backrest, seat and armrest, which match the ottoman that perfectly corresponds to the hollows of the seat and follows its profile. It is a powerfully iconic sofa-sculpture that does not renounce ergonomic design. It is ideally placed in the centre of a room.

Technical information

Internal frame:

tubular steel and steel profiles

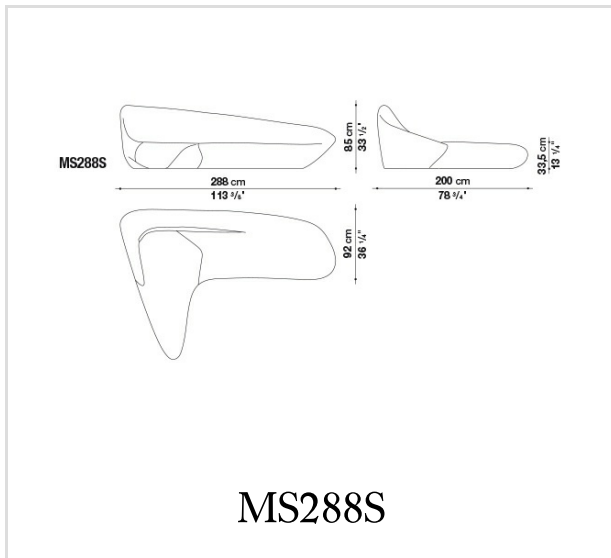

Internal frame upholstery:

Bayfit® (Bayer®) flexible cold shaped polyurethane foam

Cover:

fabric in limited categories

Technical drawings

B&B Italia reserves the right to make technological and aesthetic improvements to its models, including changes to the sizes and materials, without notice. The technical drawings do not define the details of the product. The measurements shown are indicative and may undergo changes. In particular, the dimensions relevant to the padded parts are subject to usage tolerances over time caused by the normal adjustment of the padding. For the specific information, please contact the dealer closest to you.
