Antonio Citterio

Description

Otium - новая система сидения, которая отличается классическим современным вкусом, солидными пропорциями и замечательным удобством. Предлагается в разных размерах с возможностью состыкования двух глубин, что позволяет создавать множество линейных и угловых решений, также с терминальными элементами с пуфом. Особыми отличительными особенностями являются конический подлокотник и декоративные профили из искусственной кожи, которые следуют линии подлокотников, подушек сидений и спинок. Конструкция подчеркнута в основании металлическим профилем, окрашенным в черный хром или бронзированный никель.
